Presidents' Message

February 2021

We hope this finds you all safe and healthy and thriving in mind, body and spirit.

Please join us to celebrate February 15th as Presidents Day and let us remember that George Washington and Abraham Lincoln have been our Gold Standard of American Presidents. Now we can proudly add Ronald Reagan and Donald Trump to 'these 'Greats' as we celebrate this American tradition.

At this writing we just learned that our beloved President Donald J. Trump has been acquitted from the 2nd attempt at impeachment by the Democrats. This victory is not only righteous, but it is crucial for upholding the foundation of our Republic, our Constitution.

We Thank God for His protection and His Wisdom, not only for our President, but also for us and our Republican Congress members who need to continue to 'grow a spine' and step up and boldly defend our precious 244 year old Constitution and Bill of Rights, our Freedoms !

A question we can all ask ourselves may be "Now how shall we live"? While we still grieve our loss ...we need to press forward. We believe we will be best served by refocusing our efforts and striving to be good stewards of the gifts which God bestowed on us and our precious Nation so many years ago.

As your Tustin Area Republican leadership, we commit to bringing you

information that will help take us to our place in history. We need to not only persevere and endure, but also keep preserving and conserving the God given values and principles we know so well that are the right thing to do.

Let us seek the best next steps to take, locally, state-wide and nationally. Let us focus on supporting candidates for state and county Republican Chairs, Supervisors, School Board and City Council. Please help us engage in doing just that.

We value your membership in our club and we encourage all of you to renew your membership and keep connected and participate in any way you are able, in order to help us conserve, protect and defend our Constitution and all our elected officials who we vote to represent us.

We hope to see you ALL at our in person General Meeting on February 26th.

GodSpeed!
Sheryl and Pat

TARWF Membership Report

Hi Everyone

We are pleased to announce that we have three new members since our last newsletter publication. Welcome to **Michelle Quinn** of North Tustin, **Sandy Rofsky** of Anaheim Hills, and **Rhonda Williams** of Tustin! We look forward to meeting you and getting to know you!

As of mid-February, **119 regular renewals and 22 associate renewals; 13 new regular members and 3 new associates have joined for 2021.**

TARWF's **total membership is 157** strong and continues to grow! A big thank-you to all who have renewed/joined this wonderful club!

The following 2021 TARWF members chose to give extra financial support as **Sustaining Members** when they renewed/joined, and we are especially grateful to them—thank you!

Our 2021 Roster is near the final stages of being prepared for printing and we expect to have copies in hand by the first week of March, at the latest—

hopefully a bit earlier. This year, in addition to printed copies, we are planning to have the roster available to our members in digital form for the first time—which will allow everyone to receive and add new members' information to their individual digital copies.

We have lots of work to do and by working together...We will achieve our goals by Making America Great Again...!!!

HELLO PATRIOTS

BOS Special Election & Volunteer Opportunities

The Board of Supervisors Special Election is coming up quickly **March 9, 2021**. Ballots have already been sent and in-person voting begins February 27th. This is the special election to fill Michelle Steel's vacancy for the Orange County Board of Supervisors. **John Moorlach** is the endorsed GOP candidate running and has been endorsed by the OCGOP, Lincoln Club of Orange County, the New Majority, CRA, Howard Jarvis Taxpayers Association, Dr. Ken Williams, President of the Orange County Board of Education, Mari Barke Orange County Board of Education, Newport Beach Councilman Will O'Neill, and more. John Moorlach has held this seat before and is the only GOP candidate who has experience on the Board of Supervisors. John Moorlach just finished 6 years as a state senator and is known as the "fiscal conscience of California."

Kevin Muldoon who is a member of the Newport Beach city council is also running as a GOP candidate. Kevin is a proven leader and fights for public safety, prosperity, opportunity here in Orange County. Kevin is endorsed by Andrew Do, the OC Board of Supervisors; Former Assemblyman Travis Allen; Assemblywoman Laurie Davies, Supervisor Don Wagner and more.

Katrina Foley, Costa Mesa mayor, is the Democratic candidate running against Moorlach and Muldoon. Orange County cannot afford for her to win! We need to make sure we keep the Republican majority on the Board of Supervisors.

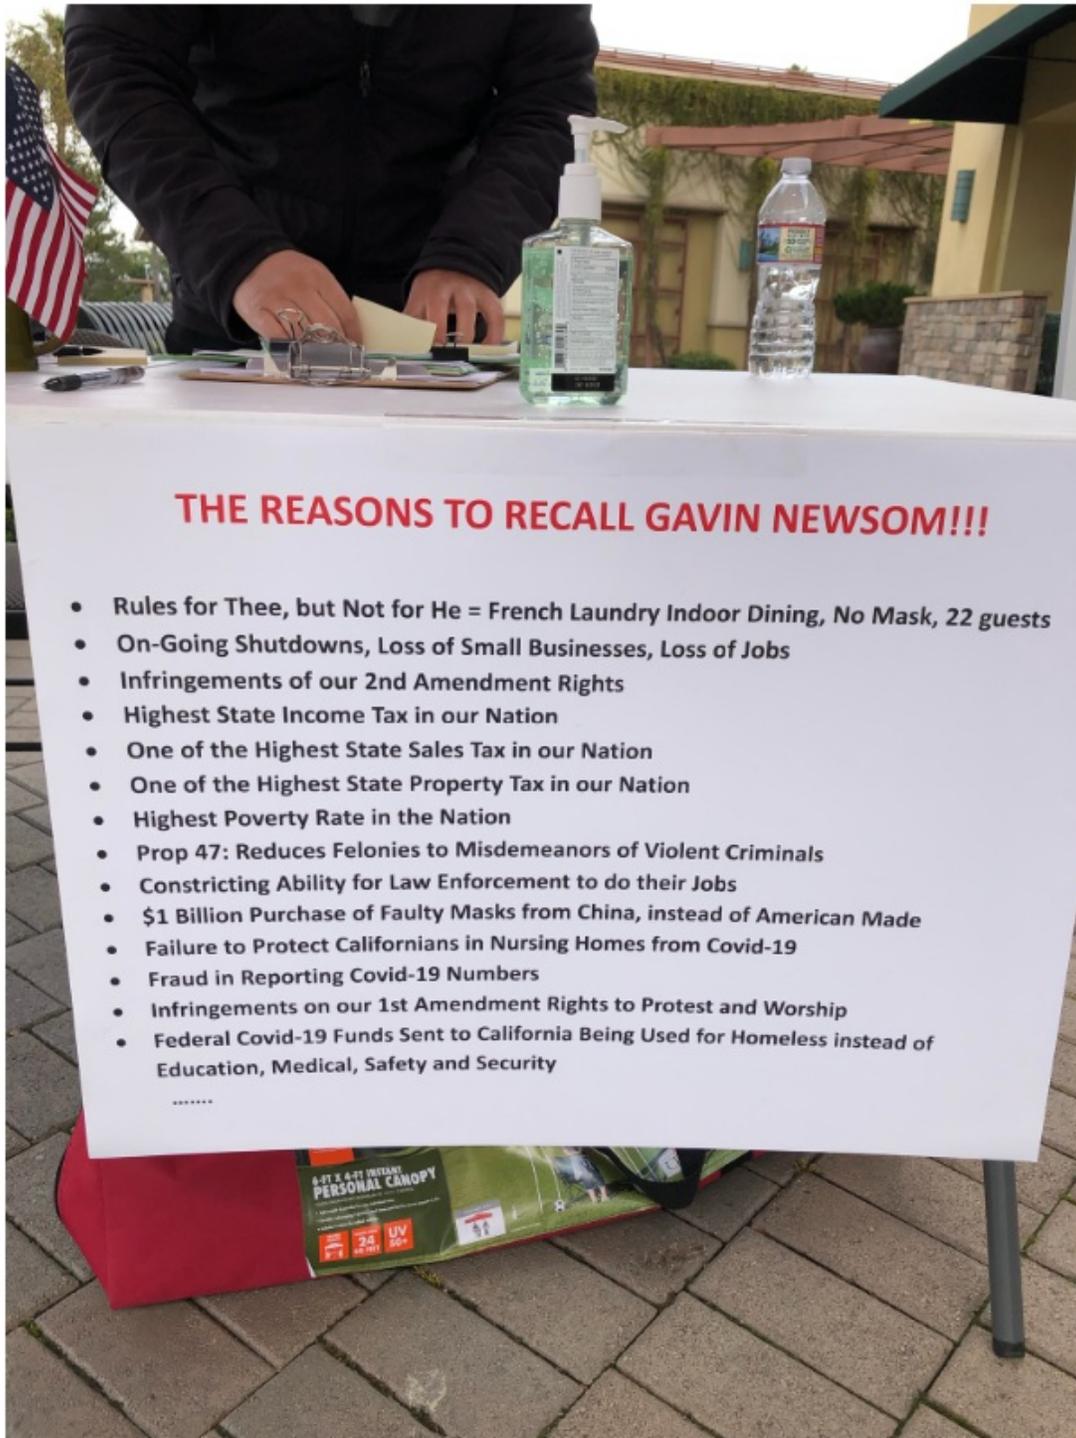

Recall Newsom Petition

The Recall Gavin Campaign is now more of a **PROBABILITY** than a **POSSIBILITY**. With less than 4 weeks left to Recall Gavin Newsom, Patriots we have to **SPRINT** to the finish line. As of Thursday, February 11th, we have 1.5 million signatures. The campaign to recall Gavin now has the goal post at 1.8 M. We need 1.5 M validated signatures by March 10th with the deadline for delivery to county registrars being March 17th. Remember to be "clipboard warriors" armed with the petition to be signed and the one page "Reasons to Recall Gavin Newsom" email from Tedi Cox sent on February 1st to all members.

Point to Ponder: Why are our Recall Petition signatures being validated at 84% when in the presidential election the signatures validated were at 100/110%!!!

Some Quotes from our Founding Fathers

John Adams our 2nd President said: "Our Constitution was made only for a moral and religious people. It is

wholly inadequate to the government of any other”. Interestingly enough, a ruthless communist dictator, Joseph Stalin, echoed his point from another angle. “America is like a healthy body and its resistance is threefold: its patriotism, its morality, and its spiritual life. If we can undermine these three areas, America WILL COLLAPSE FROM WITHIN.

Thomas Jefferson, our 3rd President said: “The democracy will cease to exist when you take away from those who are willing to work and give to those who would not.”

I predict future happiness for Americans if they can prevent the government from wasting the labors of the people, under the pretense of taking care of them.”

**THANK YOU MR. PRESIDENT
DONALD J. TRUMP**

Win, lose or fraud, President Trump, thank you for the last four years. Thank you for making it cool to be an American again. Thank you for making it normal to have God and Christianity in America again. Thank you for showing us that we don't need to be under China's thumb anymore economically, or any other way. Thank you for one of the strongest economies we've ever experienced in my lifetime. Thank you for all you have done for the minority communities, and the outstanding decrease in the unemployment rate you had.

Thank you for making it feel good to love our country and to be a proud patriot again. Thank you for supporting our Nation's flag and the men and women who fought for the freedom that stands behind that flag. Thank you for supporting our nation's law enforcement organizations and understanding how difficult their job really is. Thank you for quelling the flood of illegal immigration and bringing to justice the thousands of criminals that flood brought us.

Thank you for giving corporations a reason to come back to America to make our own products and put Americans back to work. Thank you for bringing our troops home from endless deployments that presented us with little more than body bags and for your commitment to strengthen our military. Thank you for your never-ending attempts at bringing peace to the Middle East and your support for Israel. Thank you for your Tax relief and thank you for our energy independence.

But most of all....

Thank you for taking a rotten job that you never had to take.

Thank you for caring enough for this country to want to try and make a difference.

Thank you for showing America how little Career Politicians actually work for their constituents and for showing us how much those politicians despise you for showing America how easy it is to build a great nation, rather than rape her to line their own pockets and stock portfolios.

Thank you for allowing us to experience a President that wasn't a lifelong politician, but a lifelong American.

THANK YOU MR. PRESIDENT--GOD BLESS YOU!

From our CFRW President Sue Blair :

Steve Frank, Peter Kuo and Gregory Gandrud received the majority of the votes for California Republican Party Chairman and All three will receive the endorsement by the Board of Directors of the California Federation of Republican Women, Local Club Presidents or their designated alternates, who were in attendance at the CFRW Board of Directors meeting held electronically on February 6, 2021.

Here is Steve Franks **Contract for CA Republicans:**

1. I will immediately establish a comprehensive statewide voter registration program on a county-by-county basis.
2. I will immediately establish a comprehensive program to strengthen and integrate each County Central Committee into a cohesive juggernaut with which to take on the Socialists in the Democrat Party.
3. Under my leadership there will be no Democrat left unchallenged. I will work with our various Central Committees to see to it that in every Legislative District there is a Republican challenger.
4. Likewise, as a “from the ground up” State Chair, I want to work with every Central Committee and all GOP activists to field as many Republican candidates for Regional, County, Local and Special Boards. The Republican Mayor or School Board Member of today, is the Assemblyman, State Senator or Governor of tomorrow.
5. I will establish a media taskforce to carry our message to every corner of California. No request for an interview will go unanswered, no false or misleading statement by a Democrat will be allowed to pass. For too long, we have allowed the media a free pass at being the lap dogs for the Democrats. Under my leadership that ends on my first day.
6. I will always be available to you. I will set regular regional and local Republican meetings, as well as utilize Zoom and other social media to hear your suggestions, complaints and whatever input you have for our Party. I will be a Chairman for all Republicans, not just a small handful of insiders.
7. Under my leadership all Board Meetings of the Party will be open to any and all delegates who wish to attend. All delegates will be allowed full time for their questions to be asked and answered.
8. As your Chair I will put an end to the excessive and abusive emails that delegates have had to endure for the last two years. Gone will be the disingenuous misleading emails so many of us have had to endure.
9. I will put an end to the support for and endorsement of any elected Republican who has either engaged in sexual harassment or allowed any member of his or her staff to harass any female. As the Father of two daughters, I’ve always held them on a pedestal and sought to protect them. I will lead rigorous accountability to protect women in the legislature and the workplace ALWAYS.

FACTS PEOPLE WANT TO IGNORE

What has Trump done in the past 4 years?

- The “arrogant” in the White House brokered four Middle East Peace Accords, something that 71 years of political intervention and endless war failed to produce.**
- The “buffoon” in the White House is the first president that has not engaged us in a foreign war since Eisenhower.**
- The “racist” in the White House has had the greatest impact on the economy, bringing jobs, and lowering unemployment to the Black and Latino population of**

ANY other president. EVER!

☐ The “liar” in the White House has exposed the deep, widespread, and long standing corruption in the FBI, the CIA, and NSA, and the Republican and Democratic parties.

☐ The “buffoon” in the White House turned NATO around and had them start paying their dues.

☐ The “fool” in the White House neutralized the North Koreans and stopped them sending missiles toward Japan, and threatening the West Coast of the U.S.

☐ The “xenophobe” in the White House turned our relationship with the Chinese around, brought hundreds of businesses back to the U.S. and revived the economy.

☐ This same “clown” lowered your taxes, increased the standard deduction on your IRS return from \$12,500 to \$24,400 for married couples and caused the stock market to rise to record levels, positively impacting the retirement accounts of tens of millions of citizens.

☐ The “clown” in the White House fast-tracked the development of multiple COVID vaccines which are now available. And yet, we still don’t have a vaccine for SARS, Bird Flu, Ebola, or a host of diseases that arose during previous administrations.

☐ The “clown” in the White House rebuilt our military which the Obama Administration crippled and fired 214 key generals and admirals in his first year of office.

Joyce Kaufman at 9:55 on 850AM WFTL. Her regular show is at 12 p.m.
This is a short segment taped daily for a few minutes on current events.

This morning, I realized that everything is about to change. No matter how I vote, no matter what I say, something evil has invaded our nation, and our lives are never going to be the same.

I have been confused by the hostility of family and friends. I look at people I have known all my life—so hate-filled that they agree with opinions they would never express as their own.

I think that I may well have entered the Twilight Zone.

You can't justify this insanity. We have become a nation that has lost its collective mind!

We see other countries going Socialist and collapsing, but it seems like a great plan to us.

Somehow, it's un-America for the census to count how many Americans are in America.

People who say there is no such thing as gender are demanding a female president.

Universities that advocate equality, discriminate against Asian-Americans in favor of African-Americans.

Some people are held responsible for things that happened before they were born, and other people are not held responsible for what they are

doing right now.

Criminals are caught-and-released to hurt more people, but stopping them is bad because it's a violation of THEIR rights.

People who have never owned slaves should pay slavery reparations to people who have never been slaves.

If a dude pretends to be a woman, you are required to pretend with him.

People who have never been to college should pay the debts of college students who took out high loans for their degrees.

Immigrants with tuberculosis and polio are welcome, but you'd better be able to prove your dog is vaccinated.

Irish doctors and German engineers who want to immigrate to the U.S. must go through rigorous vetting process, but any illiterate gang-bangers who jump the southern fence are welcome.

\$5 billion for border security is too expensive, but \$1.5 trillion for "free" health care is not.

If you cheat to get into college you go to prison, but if you cheat to get into the country, you go to college for free.

And, pointing out all this hypocrisy somehow makes us "racists"? Nothing makes sense anymore, no values, no morals, no civility and people are dying of a Chinese virus, but it is racist to refer to it as Chinese-even though it began in China.

We are clearly living in an upside-down world where right is wrong and wrong is right, where moral is immoral and immoral is moral, where good is evil and evil is good.

Where killing murderers is wrong, but killing innocent babies is right.

1. Hides non-citizens voting registration records.
2. On-line voting registration has minimal verification
3. Same-day voting registration
4. Legalization of Ballot Harvesting
5. Registration of 16 & 17 year old as voters
6. Allow availability of mail-in ballots with minimal screening qualifications.
7. Restoration of felon voting rights
8. Funding to support statehood of D.C., and Puerto Rico
9. Permits members of Congress to draw salary from campaign funds in addition to official compensation
10. It forces aspects of California disastrous voting system onto every state..it would make many of the changes states made in the name of COVID 19 permanent.
