TARWF Co-Presidents Message

April 2019

We so enjoyed seeing so many of you at our March general meeting with Allison Olsen, our CFRW advocate in Sacramento, and we trust you enjoyed her presentation and benefited from her wisdom and years of experience and resources she passionately provides for all of us.

What a thrill and relief after almost 2 years of investigation, to have the Mueller Report finally vindicate our **President Trump** of collusion and obstruction. Our opposition just keeps coming at us with anything and all they can to invalidate our President and his 2016 win. We will not lose Heart...we Patriots will remain hopeful, faithful and vigilant as we know we are on the RIGHT side and uphold the rights guaranteed wherein by our great Constitution.

Please continue to 'Stay Tuned' to ALERTS that our **Webmaster Tedi Cox** so diligently sends out, as well as our fabulous newsletter **Mary Nesbitt** produces each month to keep us all abreast of key events.

Judy & I along with Noel Parrish, Gail Rego and Carlene Cunningham, attended the OCFRW quarterly meeting on April 4th where OC Presidents and our **CFRW President, Nam Van Horn** attend. The next OCFRW meeting is June 5th if anyone would like to join us. Call us for details.

We had the privilege of hearing Carl DeMaio speak. Carl David

DeMaio is an American politician living in San Diego, California, where he currently hosts a daily news and politics show on NewsRadio 600 KOGO during the afternoon drive. Mr. DeMaio also serves as **Chairman of Reform California** which wages campaigns against tax increases and advocates for a variety of government reforms. He is authentic, inspiring and effective. Carl has NOT given up on California, as crazy as our state is right now, and he ask us **NOT to** either. We need to **FIGHT... and keep FIGHTING** to recover sanity and common sense governing to our Golden State. Carl rolled out 4 key projects that he and his followers will be working on to implement in the next 18 months as we gear up NOW to win in 2020. Please stay tuned as we let you know **'what you can do'** and where you can go to be a part of this success and make a difference. It **starts NOW !** We will all be needed according to our abilities.

Remember one of the reasons you joined TARWF, beside the wonderful comradery we enjoy, great speakers and delicious lunches...is It our goal and mission to help you become a more informed voter, help out at local elections with calls, and this includes participating where appropriate for your skills, and talents and abilities, e.g . Phone calling, precinct walking, or stuffing letters in envelopes for candidates at our OCGOP office. (see back of Roster)

We look forward to seeing you all at our next Lunch meeting on **Friday, April 26th with Lieutenant Colonel "Buzz" Patterson, US Air Force (Retired)...**doors open at **10:30 am.**

Warmest Regards, Judy & Pat

- **PREPARE** for upcoming elections by hearing from Republican candidates, leaders, elected officials and political experts;
- **VOTE** in the NFRW Republican Presidential Straw Poll (every four years);
- **RECOGNIZE** distinguished leadership and service within the NFRW;

Pretty good stuff.....

- 1 - Eleven teens die each day because of texting while driving.
Maybe it's time to raise the age of Smart Phone ownership to 21.
- 2 - If gun control laws actually worked, Chicago would be Mayberry, USA.
- 3 - The Second Amendment makes more women equal than the entire feminist movement.
- 4 - Legal gun owners have 300 million guns and probably a trillion rounds of ammo.
Seriously, folks, if we were the problem, you'd know it.
- 5 - When JFK was killed, nobody blamed the rifle.
- 6 - The NRA murders 0 people and receives \$0 in government funds.
Planned Parenthood kills 350,000 babies every year and receives \$500,000,000 in tax dollars annually.
- 7 - I have no problem with vigorous background checks when it comes to firearms.
While we're at it, let's do the same when it comes to immigration, Voter I.D and Candidates running for office.
- 8 - You don't need a smoke detector; that's what the fire department is for.
Now...if you think that sounds stupid, you know how I feel when you say I don't need a gun.
- 9 - Folks keep talking about another Civil War. One side knows how to shoot and probably has a trillion rounds.
The other side has crying closets and is confused about which bathroom to use.
Now tell me, how do you think that's going to end?

BILLY GRAHAM'S SON IS TELLING THE SAD TRUTH – NEVER SAID BETTER

Time is like a river. You cannot touch the water twice, because the flow that has passed will never pass again. **Franklin Graham** was speaking at the First Baptist Church in Jacksonville, Florida, when he said America will not come back. He wrote: “The American dream ended on November 6th, 2012. The second term of Barack Obama has been the final nail in the coffin for the legacy of the white Christian males who discovered, explored, pioneered, settled and developed the greatest republic in the history of mankind.

A coalition of blacks, Latinos, feminists, gays, government workers, union members, environmental extremists, the media, Hollywood, uninformed young people, the “forever needy,” the chronically unemployed, illegal aliens and other “fellow travelers” have ended Norman Rockwell’s America. You will never again out-vote these people. It will take individual acts of defiance and massive displays of civil disobedience to get back

the rights we have allowed them to take away. It will take zealots, not moderates and shy, not reach-across-the-aisle RINOs (Republicans In Name Only) to right this ship and restore our beloved country to its former status.

People like me are completely politically irrelevant, and I will probably never again be able to legally comment on or concern myself with the aforementioned coalition which has surrendered our culture, our heritage and our traditions without a shot being fired. The Cocker spaniel is off the front porch, the pit bull is in the back yard, the American Constitution has been replaced with Saul Alinsky's "Rules for Radicals" and the likes of Chicago shyster David Axelrod along with international socialist George Soros have been pulling the strings on their beige puppet and have brought us Act 2 of the New World Order. The curtain will come down but the damage has been done, the story has been told. Those who come after us will once again have to risk their lives, their fortunes and their sacred honor to bring back the Republic that **this generation has timidly frittered away due to white guilt and political correctness..**"
