TARWF Co-Presidents Message

September 2019

We hope you are all doing well after spending a relaxing & enjoyable summer season with family and friends. It's time again to "get back into the swing" and focus on the Presidential & Congressional wins for 2020.

It's always a pleasure to be together at our luncheons, to hear our speakers and share life, family & politics. We will remain hopeful, prayerful, faithful and vigilant as we look to the future months to prepare to win.

It's important for you to read carefully the appeal from our OCGOP. (See below) They ask us all to consider how we can be of help in the next year and a half as we prepare for a win. There are several options to choose from to meet your needs to be involved. 😊 We will be encouraging you along the way. You can walk precincts, help with mailings ...and If you like to talk to people ...you will have fun with other patriots making phone calls to help assure votes to accomplish our 2020 win.

Please **[Click Here to Volunteer](#)** to choose your best role.

We are proud to let you know that your Co -President Judy Levine and our Treasurer Gail Rego will be our Delegate and Alternate Delegate to the **NFRW National Convention in Indianapolis September 26th through the 28th**. We will also be sending a delegation to **Bakersfield, October 18th and 19th for the upcoming CFRW Convention** where we elect new officers and vote on resolutions as well as attend training classes. They will look forward to giving us an update from both events at our October meeting.

Also, according to Judy who sits on the Legislative Committee of the OC Lincoln Club, there will be a new effort to change Proposition 13 in 2020 to

split the role so business will no longer have property tax protection. This would result in increased costs to consumers and we must work against it. We plan to keep you informed as we learn more for direction from CFRW. We look forward to seeing you all at our next luncheon meeting on **Friday, September 27th with our guest speaker the Rev. Jesse Lee Peterson.** Please send in your RSVP in as soon as possible...and stay tuned to our email alerts for more details. Doors open at **10:30 am.** See you all then...and May God Bless us all!

Warmest Regards,
Judy & Pat

REPUBLICAN PARTY
OF ORANGE COUNTY

REMINDER:

Statewide Republican Voter Registration Campaign

Orange County Republicans -

As you may have seen in the press lately, Democrats have gained a small voter registration advantage county wide. The numbers show that this isn't a large Democratic gain in voter registrations - it's voters who have left the Republican Party and become No Party Preference voters.

Some of these voters have become disengaged with the Republican Party, and some had their party preference changed by the DMV registering voters through the new Motor Voter law. Whatever the case, we as Republicans need to engage with these voters to earn back their registration - we need your help.

We have partnered with the California Republican Party for their statewide Republican voter registration drive: the September Surge.

Republicans throughout California will be working to register Republican voters from September 1st to September 30th. Join your fellow Republicans in fighting for California!

How You Can Help

- **Walk Your Neighborhood to Register Voters** - We'll provide you the

list NPP voters in your neighborhood, voter registration forms and walk pieces. Join us for a Surge Saturday event or walk on your time.

- **Phone Bank** - Come to HQ and call NPP voters to verify their party preference and re-register if needed.
- **Register Voters and Republican Outreach at the DMV** - "Getting our Republican Message Out" and Registering Voters at the DMV. Please contact Cynthia Thacker at cynrethkr@yahoo.com.

**Got to love the Marines, language and all.
God Bless Colonel Jack Fessender.**

**Marines have a wonderful way with words - clear, concise
and to the point.**

**If you look closely at the picture above, you will note that
all the Marines pictured are bowing their heads. That's
because they're praying. This incident took place at a
recent ceremony honoring the birthday of the corps, and
it has the ACLU up in arms. "These are federal
employees," says Lucius Traveler, a spokesman for the
ACLU, "on federal property and on federal time... For
them to pray is clearly an establishment of religion, and
we must nip this in the bud immediately."**

**When asked about the ACLU's charges, Colonel Jack
Fessender, speaking for the Commandant of the Corps
said, "To hell with the ACLU! GOD Bless Our
Warriors. Send the ACLU to Afghanistan! Then watch
those SONS OF BITCHES pray."**

**May God Bless America ,

Thomas Jefferson knew democracy, because he himself studied the previous failed attempts at government. He understood actual history, the nature of God, His laws, and the Laws of nature. That happens to be way more than what most understand today.

Jefferson really knew his stuff. A voice from the past to lead us in the future:

"When we get piled upon one another in large cities, as in Europe, we shall become as corrupt as Europe ." --Thomas Jefferson

"The democracy will cease to exist when you take away from those who are willing to work and give to those who would not." -- Thomas Jefferson

"It is incumbent on every generation to pay its own debts as it goes. A principle which if acted on would save one-half the wars of the world." -- Thomas Jefferson

"I predict future happiness for Americans if they can prevent the government from wasting the labors of the people under the pretense of taking care of them." -- Thomas Jefferson

"My reading of history convinces me that most bad government results from too much government." --Thomas Jefferson

"The strongest reason for the people to retain the right to keep and bear arms is, as a last resort, to protect themselves against tyranny in government." -- Thomas Jefferson

"The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants." --Thomas Jefferson

"To compel a man to subsidize with his taxes the propagation of ideas which he disbelieves and abhors is sinful and tyrannical." -- Thomas Jefferson

Thomas Jefferson said in 1802:

"I believe that banking institutions are more dangerous to our liberties than Standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the Banks and corporations that will grow up around the banks will deprive the people of all property – until their children wake-up homeless on the continent their fathers conquered."
